Talk Portuguese Worksheet 7.2

Empregado/a

You work in a **mercearia**. Someone you've known since they were little has come in and inquires about prices. You haven't seen this person for a long time. Ask him/her about his/her family and what they do for a living.

garrafa de litro vinho branco €6
garrafa de litro vinho rosé €4.20
bacalhau €9 kg
azeite €4.80
batatas €1
cebolas €0.90

There are no carrots or mushrooms.

Cliente

You have €45. Below is your shopping list. You need to find out the price of each item and then decide which ones you can buy with the money you have.
You've known the shop assistant since you were little.
Your shopping list:

5 kg batatas
2 kg cenouras
3 kgs cebolas
600g cogumelos
4 kg bacalhau
vinho rosé/vinho branco
azeite
