IMPORTANT ASSESSMENT UPDATE

As a result of feedback from the Department for Education, there have been some updates to the Set Tasks for **Unit 3 and 6 for BTEC Nationals in Engineering**.

These updates mean there are now some changes required to this book, which are listed below. You need to be aware of these when using this book for revision.

These changes affect **pages 110, 163, 164, 166, 220 and 271** of your Student Book.

Change to assessment of Unit 3: Engineering Product Design and Manufacture
You will be issued Part A 1 week ahead of the supervised assessment period (Part B), not 2 weeks.
For Part A you will be allowed to compile a maximum of 2 sides of A4 of individually prepared research notes.
For Part B you will have 8 hours which can be carried out in multiple sessions over no more than 5 consecutive days .
Change to assessment of Unit 6: Microcontroller Systems for Engineers
You will have 12 hours which can be carried out in multiple sessions over no more than 5 consecutive days during a two-week assessment period timetabled by Pearson.
