Key dates and checklist

As you head back to the classroom this September, we remain committed to supporting you and your students throughout the new term.

We've signposted some of the key dates and resources to help you and your learners this autumn.

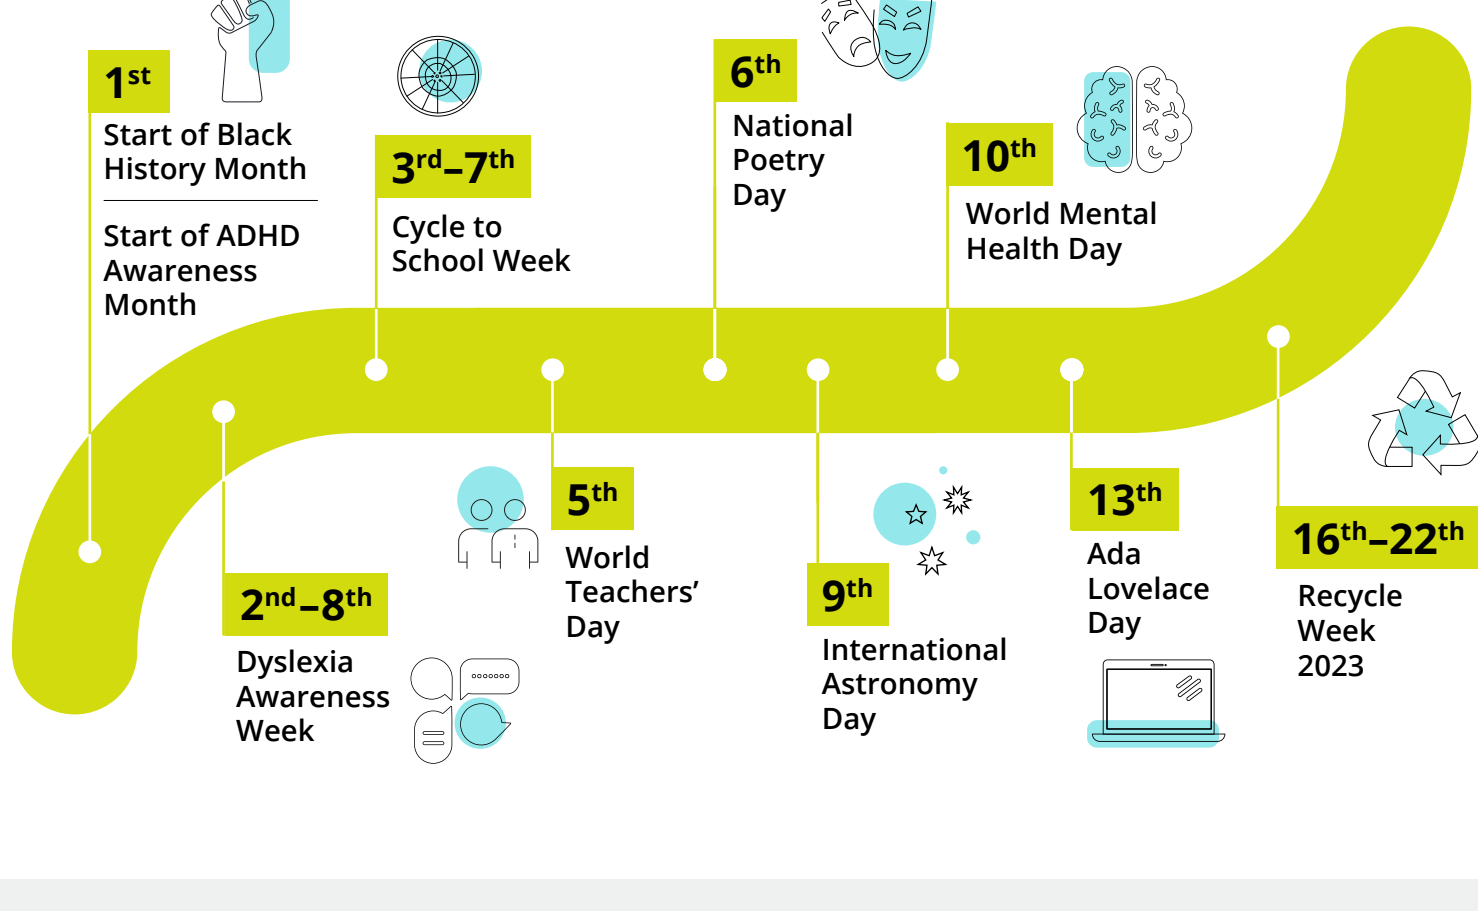

September

Things to think about this month...

- Setting up subscriptions and onboarding students onto new platforms. **Get started with ActiveLearn**
- Review professional development needs for the year. **Explore PD Academy**
- Progress checks for new Year 7 cohorts. **Why not use an ActiveHub free trial to complete some baseline tests?**

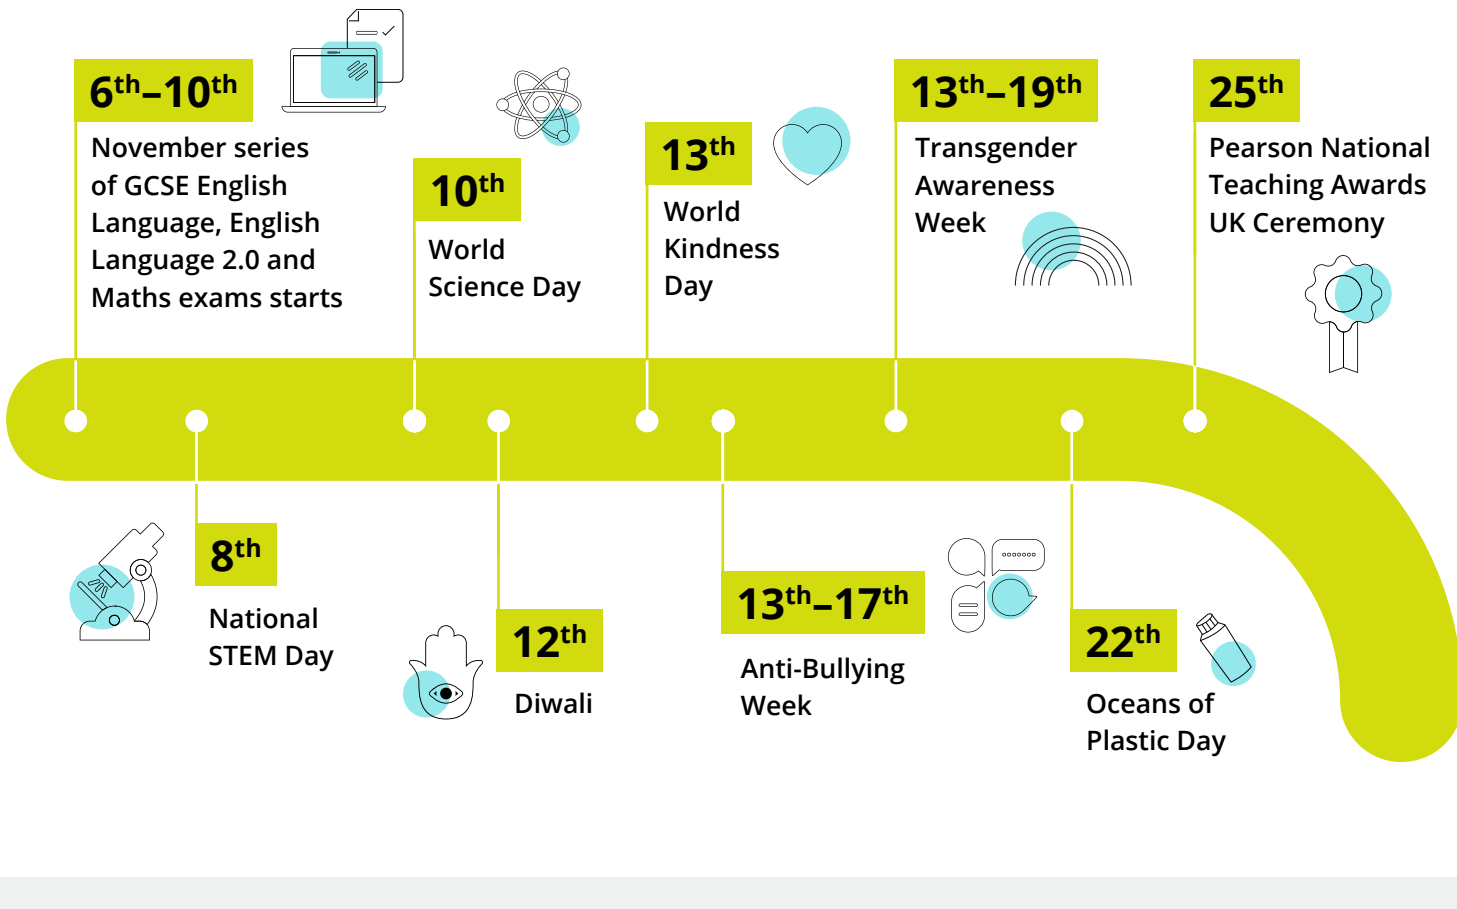

October

Things to think about this month...

- Plan autumn mocks (taking place after half term). **Explore the Mocks Service**
- Top up on revision resources ahead of mocks. **Browse GCSE and A level revision resources & explore exam stress and wellbeing support**
- Plan for options evenings and open days. **Take a look at the Pearson Careers Hub**

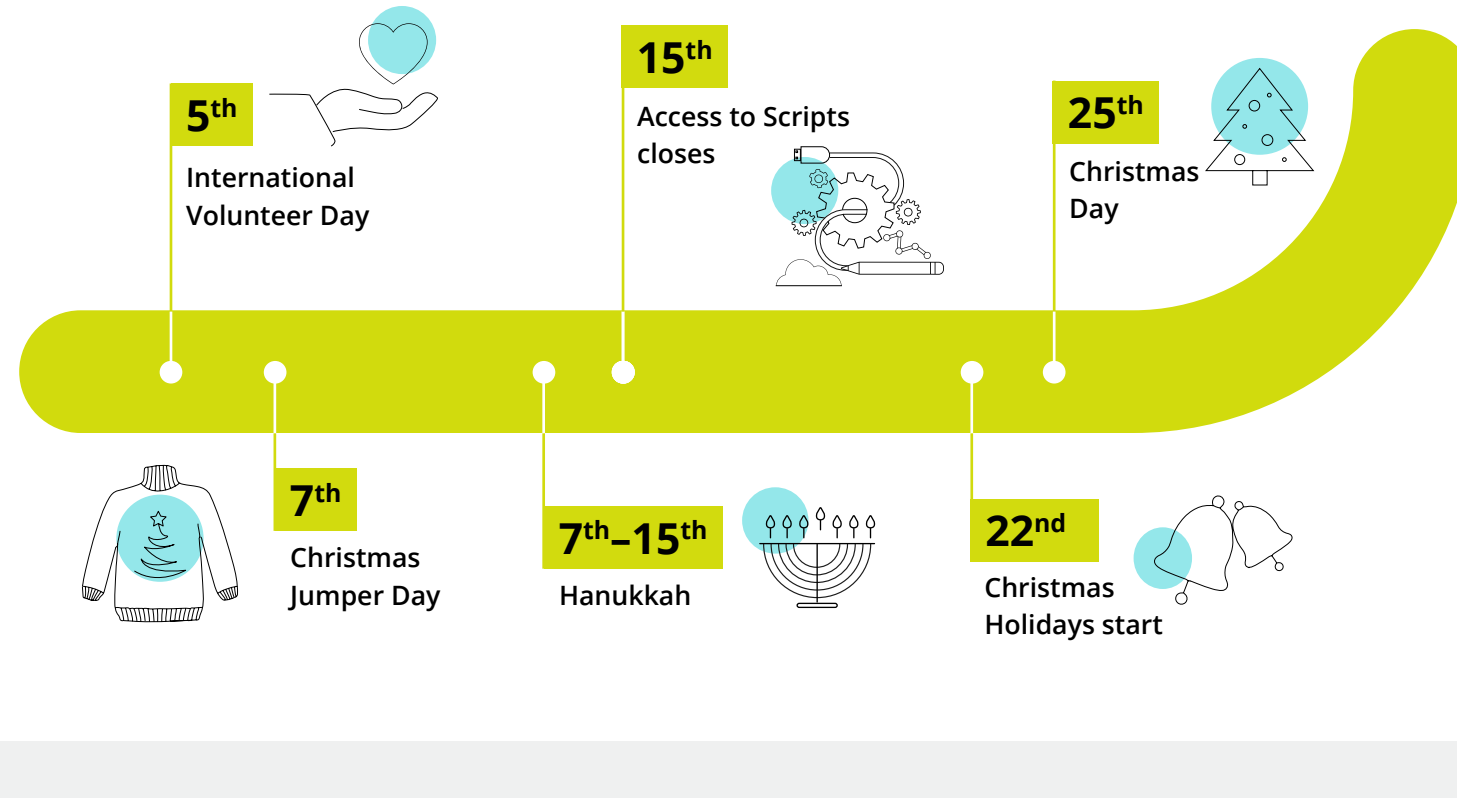

November

Things to think about this month...

- Review marking of mock exams. **The Mocks Moderation Service can help**
- Analysing assessment results and scoping out intervention needs. **Browse our range of intervention resources**

December

For many, this season is a wonderful time of celebration, but it can also be a tough one for lots of teachers, students and families.

Don't forget **our Wellbeing Zone** is packed full of resources for you to use or share with your students. Young Minds also have **wellbeing advent calendars** for students and teachers.

Things to think about this month...

- Plan January/February mocks. **View full range of available papers**
- Plan January tutoring. **Explore the packages**
- Enjoying some well-deserved rest and relaxation over the holidays!

Supporting you all year round

Got any questions about our qualifications or resources?

Pearson Schools Blog

The Pearson Schools Blog is filled with posts from teachers, subject experts and the Pearson team on a range of key topics and conversations throughout the year.

Pearson Schools Podcasts

We host a variety of podcasts across English, maths, science and extended curriculum, with inspiring speakers and experts to stimulate the important conversations within each subject.
