Introduction

Haldor and his friend, Larvig, are sailing home after a raid. Their ship is full of looted gold and slaves. Suddenly, a thick sea mist comes down. Haldor fears that the mist hides an evil drawg – one of the undead who sail the seas in their half ships looking for victims.

Haldor and the Drawg

Chapter One

Haldor put his hand on the prow of his ship and looked out to sea. The sky was blue and the sea was calm. Haldor had been away for weeks and now he was pleased to see the snow-covered mountains of home in the distance.
